

## STRATEGIC ROUNDTABLE: **CONNECTING COMMUNITIES**

This will be a special roundtable discussion aiming to strategically connect important communities that together form the **Legal Ecosystem**, namely- In-House Legal Departments, Law Firms, Associations and Solution Providers.

The prime objective will be to formulate an interactive and interesting session for all the legal stakeholders to discuss and deliberate on various issues that the legal industry is facing. This interactive session will be instrumental in designing a more efficient and effective roadmap and business model for the entire legal industry.

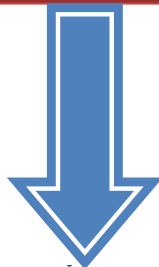

**Format:** The hall will be split into 3 different legal communities and will discuss their topics in this order: In-House Legal Community; Law Firm Community; and Solution providers' community. The session will have 3 sub sessions: **Duration- 2 hours**

**Community Discussion (1 hour 30 minutes)** - Each community table gets 30 minutes and allocated a particular topic to discuss

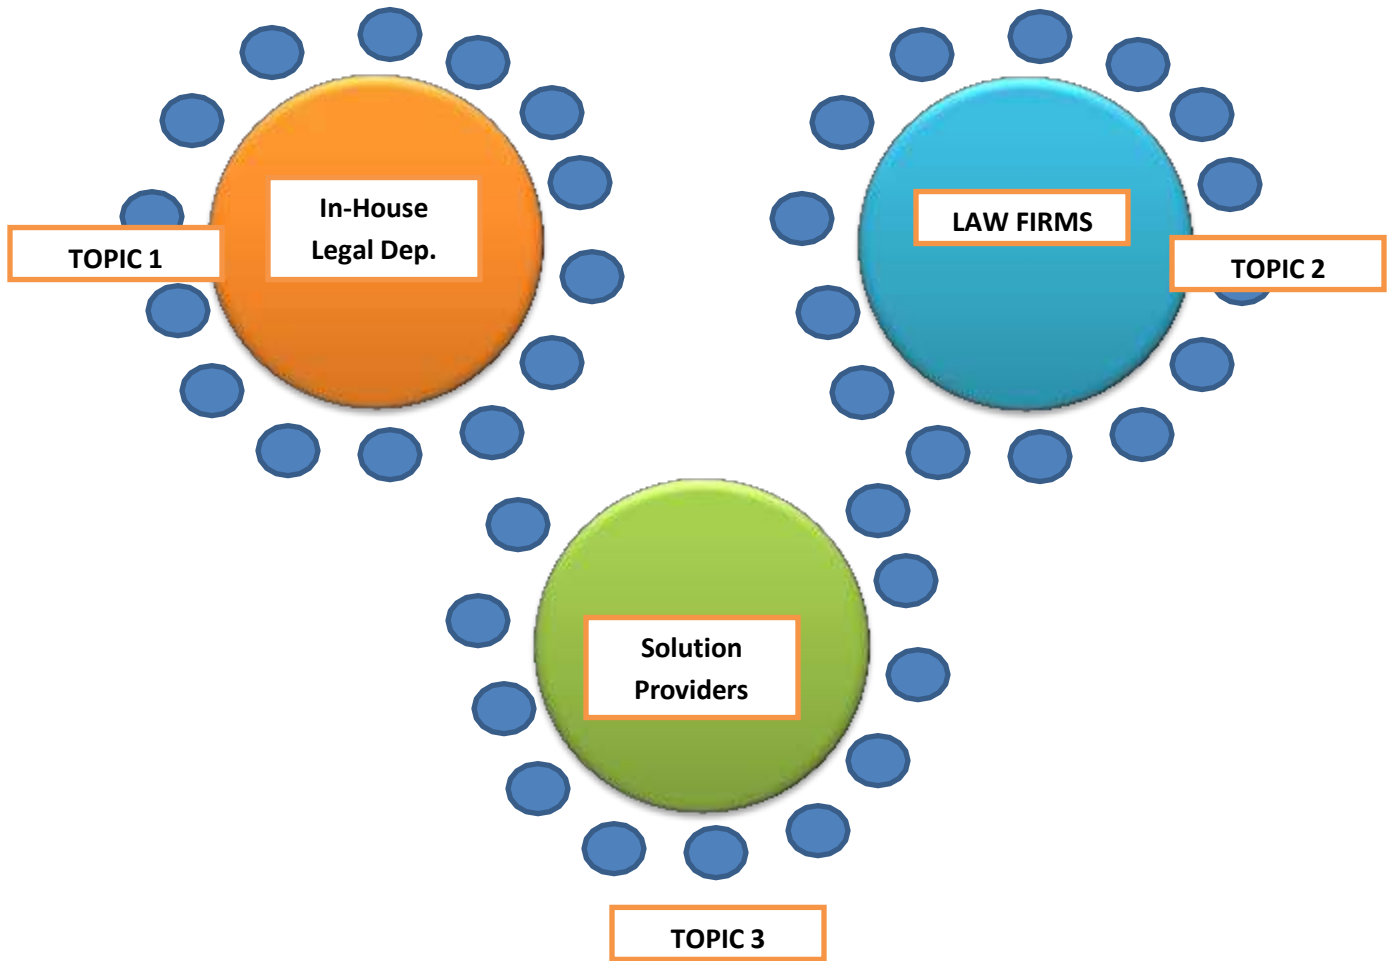

**Topic for In-House Legal Departments-** How to make In-house legal departments more effective and efficient?

**Topic for Law Firms-** Addressing the rising challenges of the In-House Legal Departments

**Topic for Solution Providers-** Towards a technologically empowered Legal Industry

**Legal Ecosystem Discussion, Q&A & Business Card Exchange (30 minutes)-** All communities will get together as Legal Ecosystem, share their views with each other and answer questions from the audience.

**REGISTRATIONS FOR THIS STRATEGIC ROUND TABLE SESSION ARE OPEN.**
