

Cesar's Bio

Cesar Cabrera is a Territory Sales Manager at Darktrace, responsible for increasing the adoption of Darktrace's award-winning Enterprise Immune System. He engages with CISOs and IT experts to understand their security challenges and address how the Enterprise Immune System provides a unique approach in detecting advanced persistent threats, insider attacks and other live threat scenarios.

Prior to joining Darktrace, Cesar worked at World Fuel Services and started his career in the Financial Services Industry, working for Citigroup and Bank of America Merrill Lynch. He holds a BA in Psychology from Columbia University in the City of New York.
